Dear Parents 26 JULY 2026

As you may be aware, many schools have already opened for registrations for 2027. We therefore need to finalize our own numbers accordingly.

Please read the below information carefully, complete it in full and send it back to school from FRIDAY 21 AUGUST 2026 . This date will however be extended for parents who may still be indecisive up and until **FRIDAY 21 AUGUST 2026**. Please take note however, the sooner we receive responses from Parents, the sooner we can confirm numbers for 2027 and this makes our planning more efficient. Your child's space will be reserved as soon as we receive the confirmation he or she will be returning, so please do not unnecessarily delay the decision.

Please however take note that we cannot reserve spaces for children whose parents are indecisive by 21 AUGUST 2026. We will fill up the classes on a first come first serve basis. We hope to give our existing children preference however should you remain indecisive beyond 21 AUGUST 2026, we cannot guarantee your child a space.

It is essential for us to start planning for 2027 and as mentioned above, our current learners have first preference for places in the new year. We need to start with calculations of numbers for the following reasons:

1. We are only allowed a certain amount of children in a classroom in terms of the Regulations of the Health Department.
2. We further base our 2027 employment of Teachers and support staff based on our numbers.

We are aware that for some parents this commitment may seem early, however for most Parents, decisions have already been made as to what the plans are for the academic year 2027. Further to this we have been informed that the majority of Government Schools have almost closed their Registrations or are full.

We would like to further state that our outside Applications have already opened and as and when we receive Applications back, we will create a waiting list for each class for 2027. New learners are accepted on a first come first serve basis, **but they will only be accepted from 21 AUGUST 2026 onwards.**

All registration fees for 2027 MUST BE PAID by 15 November 2026. This will give us a clear indication as to how many definite learners we have per grade. Even though you have confirmed your child is returning, if the registration fee is not paid on time, your child may lose his space. Please ensure that you start planning for 2027 registration to be paid, even if you pay a little extra over and above your child's fees each month.

SHOULD YOU NOT WISH FOR YOUR CHILD TO RETURN IN 2027 AND YOU COMPLETE THIS FORM ACCORDINGLY, WE WILL ACCEPT THIS FORM AS FORMAL NOTICE THAT YOUR CHILD WILL NOT BE RETURNING IN 2027. No further written notice will be required.

Should you however complete the form and choose the option that your child **"MIGHT BE"** returning in **2027**, **your child's name will not be added to the register but rather added to the waiting list for 2027, until we receive WRITTEN NOTICE from you stating that your child will definitely be returning and full payment of the Registration fee.**
